CAMP WEEK GENERAL POLICY:

1. Every person (camper, staff, or worker) will conform to the Dean's camp schedule.
2. Campers or staff will not be permitted to leave camp or any camp activity without personal permission from the dean.
3. Visitors are welcome for the evening and are expected to conform to all camp policies. All visitors will notify the Dean of their arrival and departure.
4. The use or possession of tobacco, vapes, alcoholic beverages, illegal drugs, or firearms of any kind is strictly prohibited.
5. Any camper using medication must report and turn it in to the nurse upon arrival at camp.
6. Sickness and injury must be reported to the camp nurse immediately.
7. Unauthorized CD's, music players/radios, fireworks, knives, TVs, video games/gaming consoles, personal computers, movies and all magazines, including comic books, will not be permitted at camp. Use of cell phones, music players, or reading materials is at the Dean's discretion.
8. Camper and Staff automobiles will be parked for the duration of camp and only the Dean can authorize their use.
9. Regarding clothing, modesty shall prevail. No extremes in dress such as plunging necklines, bare midriffs, short shorts, short dresses, brief swimwear, or immodest tight apparel will be permitted. Shoes or sandals must always be worn, except for at the swimming hole and beach during swim time.
10. Final authority regarding all camp rules is to be left to the discretion of the Dean as the Executive Board's representative, including the right to dismiss from camp anyone who does not conform to these rules. If a camper is dismissed from camp, there will be no refund of camp fees.

VISITOR POLICY:

WCSC does not maintain specific visitation hours during camp weeks. Visitation hours are determined by the dean's discretion as they see fit for their week's programming. In general, visitors are prohibited to stay at camp after campfire or arrive before breakfast unless permission is granted from the dean or the camp manager. Deans that have preferred times or dates for visitation (such as visitor hours, specific visitation days, or public activities) will be clearly posted during registration on Sunday.

All visitors must adhere to the following:

1. Visitors shall not remain at camp after campfire or arrive prior to breakfast, without prior permission from the dean or camp manager.
2. Visitors shall not arrive outside of the dean's specified hours of visitation, if such hours have been established prior to the week of camp and are posted during registration.
3. Visitors must follow all camp rules regarding smoking, dress, language, prohibited items, behavior, etc. Failure to follow these rules will result in the visitor being asked to leave.
4. Visitors shall not distract, deter, otherwise keep campers or volunteer staff from participating in scheduled camp activities. Any visitor that causes any disruption, shall be asked to leave by the dean or the camp manager.
5. Visitors may join campers and staff during mealtime. A minimum \$5 donation is to be provided to receive a meal provided by the camp.
6. Visitors must not put anyone at the camp at risk of any danger at any time. All visitors must abide the 10-mph speed limit on the campus.
7. Visitors must not cause any campers, staff, faculty, or other visitors any physical harm, emotional distress, or demonstrate abusive behavior of any type. These behaviors will not be tolerated and will result in the visitor being asked to leave.
8. Visitors shall treat the camp property and the property of others with respect. Visitors shall not graffiti or mark on any camp property nor intentionally cause destruction or degradation to any camp property. If a visitor is found to be disrespecting or disregarding any property or equipment, then that individual(s) will be asked to leave.
9. While WCSC believes in both forgiveness and redemption, available to all through our Savior Jesus Christ, we ask anyone who has any legal or lifestyle restrictions from being near children or anyone participating in that week of camp to refrain from visiting the camp. This includes, but is not limited to, those who are legally restricted from coming into contact with specific individuals (such as a restraining order or loss of custody), and those with prior convictions demonstrating the individual to be unsafe around children (such convictions could include child abuse, neglect, or those resulting in the individual being required to register as a sex offender). Individuals who are known or believed to be a danger to any camper, staff, faculty, or other visitor at the camp will be reported to the proper authorities and required to leave.

CAMPER DROP-OFF AND PICK-UP PROTOCOL

This protocol has been developed as a precaution in order to ensure the safety of all campers. The camper drop-off and pick-up procedures have been modified for use during Day Camp and First Chance Camp to reflect the following:

Drop-Off

During registration, the parent or guardian will receive a ticket identifying the child's name and an identification number. Please keep this ticket, as it will be used during pick-up to make sure your child is only picked up by the person/s specified on the camper's registration form.

During registration, the parent or guardian will verify that their name, address, phone number, and email address information is correct. If the parent or guardian's driver's license does not match the address provided, they will have their driver's license scanned (or a note will be made to indicate this discrepancy), which will be used for reference later during pick-up if the ticket is lost.

If someone else will be picking your child up from camp (either on pick-up day or to leave during the week), please let the registrar know during registration and provide the ticket to the individual picking up. When this person arrives to pick up your child, we will check for the ticket or, if needed, check their driver's license for positive verification that they are the correct person to pick up the child.

If you discover during the week that someone else will need to pick up your child from camp (either on pick-up day or to leave during the week) please call or email the camp using the contact on the registration form. When this person arrives to pick up your child, we will check the pick-up ticket or, if needed, their driver's license for positive verification that they are the correct person to pick up the child.

Pick-Up

Please arrive promptly at the designated pick-up time. During the designated pick-up time, all campers will be in the mess hall, and we ask all parents and guardians to enter the mess hall at the office door. The camp registrar or their designee will be in the camp office to check your ticket or identification and release the campers. Be sure to stop at the nurse's station, to pick up your child's medication which was turned in during registration (if applicable).
