3. Visitors are welcome during visiting hours and are expected to conform to all camp policies. All visitors will check in at arrival and check out upon departure.

9. Camper and Staff automobiles will be parked for the duration of camp and only the Dean can authorize their use.
10. Regarding clothing, modesty shall prevail. No extremes in dress including: spaghetti straps, plunging necklines, crop tops, short shorts or short dresses. For swim time girls must wear a modest one piece bathing suit and boys must wear swim trunks or shorts. No 2 piece bathing suits or speedos allowed. Shoes or sandals must always be worn, except for at the swimming hole and beach during swim time.
11. Final authority regarding all camp rules is to be left to the discretion of the Dean as the Executive Board's representative, including the right to dismiss from camp anyone who does not conform to these rules. If a camper is dismissed from camp, there will be no refund of camp fees.

WHERE BROKENNESS MEETS COMMUNITY, WHERE COMMUNITY MEETS CHRIST

Any visitor that causes any disruption, shall be asked to leave by the dean or the camp manager.

4. Visitors may join campers and staff during mealtime. A minimum \$5 donation is to be provided to receive a meal provided by the camp.

7. Visitors shall treat the camp property and the property of others with respect. Visitors shall not graffiti or mark on any camp property nor intentionally cause destruction or degradation to any camp property. If a visitor is found to be disrespecting or disregarding any property or equipment, then that individual(s) will be asked to leave.
8. While WCSC believes in both forgiveness and redemption, available to all through our Savior Jesus Christ, we ask anyone who has any legal or lifestyle restrictions from being near children or anyone participating in that week of camp to refrain from visiting the camp. This includes, but is not limited to, those who are legally restricted from coming into contact with specific individuals (such as a restraining order or loss of custody), and those with prior convictions demonstrating the individual to be unsafe around children (such convictions could include child abuse, neglect, or those resulting in the individual being required to register as a sex offender). Individuals who are known or believed to be a danger to any camper, staff, faculty, or other visitor at the camp will be reported to the proper authorities and required to leave.

CAMPER DROP-OFF AND PICK-UP PROTOCOL

This protocol has been developed as a precaution in order to ensure the safety of all campers. The camper drop-off and pick-up procedures have been modified to reflect the following:

Drop-Off

During registration, each camper will be given an index card with an identifiable number on it. This number will be recorded and kept track of, to make sure your child is only picked up by the person/s specified on the camper's registration form. Each camper will place their index card at the foot of their bunk in the card holder upon arrival.

During registration, the parent or guardian will also receive an index card with the matching number that corresponds to their child. The parent/guardian will need to bring the card back at pick-up for verification.

If there is anyone who should NOT pick up the child or NOT be allowed to visit the child at camp, please tell the camp registrar during registration.

If someone else will be picking your child up from camp (either on pick-up day or to leave during the week), please let the registrar know during registration. When this person arrives to pick up your child, we will check their driver's license for positive verification that they are the correct person to pick up the child. If you discover during the week that someone else will need to pick up your child from camp (either on pick-up day or to leave during the week) please call or email the camp using the contact information on the registration form. When this person arrives to pick up your child, we will check their driver's license for positive verification that they are the correct person to pick up the child.

Pick-Up

Please arrive promptly at the designated pick-up time. During the designated pick-up time, all campers will be in the mess hall, and we ask all parents and guardians to enter the mess hall at the side door (with the overhanging sign that says "Mess Hall"). The camp registrar or their designee will be in the camp office to check your corresponding index card or your driver's license for identification.

Upon positive identification, you will then be directed to proceed down the hallway to the nurse's station, where you will be given your child's medication which was turned in during registration (if applicable). Next, an attendant will be located near the doorway directly in front of the nurse's station. This person will call out your child's name and your child will be dismissed with you.
